

McCall's Pumpkin Patch will provide a tour of their farm on the date of _____ to educate and provide recreation for the students. There will be several pieces of large farm equipment on the location, a hayride provided on trailers pulled by tractors and an animal display, so we expect students to follow the instructions given at all times. In the event of an accident or injury due to the student's failure to follow the rules, McCall's Pumpkin Patch will assume no responsibility or liability for the student, (name) _____. Please sign to acknowledge your understanding of your child's responsibility.
